We are talking to [REDACTED] who is one of the four managing partners and the one who is representing the family. I had one 2hr meeting with him on this matter last week in which as you know he expressed interest in a partnership w jpm (noting however that the family would prefer not to shed control). A few days later the below came out - and we understand is far progressed - after which he is not returning my calls anymore. Consequently no meeting with you has been set up.

At this point not sure what else we can do.

Karl

Have we set up a meeting with them for when I'm in London. Who are we actually talking to?

Thanks

Don't know if Pablo updated you, but I had very constructive 2 hour mtg w the family partner last week, where he essentially said they see strong merits in an institutional partnership w JPM (possibly along the lines of our [REDACTED] deal). He did say they would be reluctant to shed control (could be that deutsche is prepared to only take minority stake).

We left it that we both wanted to talk to our organisation re next steps. I called him monday intending to suggest a mtg w jes /yourself, but he didn't return the call for obvious reasons.
I left him message this morning asking him where we stand in light of news.

If he dosn't shut the door (deutsche bid is apparently non-binding), we may have to decide whether we want to become more formal in our approach.

Keep you posted

Karl

Looks like unfortunately we are late. [REDACTED] hasn't returned my call since our mtg last week. Will try to talk to him. Karl
